# LESLIE CANHAM

*The Ultimate Resource for Dental Education,  
Compliance, and Regulations*

*Have you updated your HIPAA policies and  
procedures to meet the Final Omnibus Rule?*

## The Challenge

### **HIPAA regulations are confusing.**

- Conducting risk analysis and workforce training
- Updating written office privacy policies and procedures
- Creating logs and rewriting the notice of privacy practices

Many dental practices are struggling to complete the mandatory tasks. Deadlines for compliance have passed.

## The Solution

### **Reduce stress. Streamline the process.**

Are you wondering where to start, what to do, and how to implement all the parts of HIPAA requirements? Let me be your solution. I will conduct your HIPAA risk analysis, prepare all the required documentation, logs, and written plans, and conduct the training for the HIPAA officer and dental team.

### **Save time. Protect your practice.**

HIPAA Implementation takes place in just one day, on site or remotely by telephone and computer. No lost production; patients can still be seen while we work together on implementation.

### **Understand your HIPAA role and responsibilities.**

Let me walk you through HIPAA compliance and remove your HIPAA concerns! Call today to schedule your HIPAA Implementation and gain peace of mind knowing your practice is in compliance.

## What People are Saying

"I recommend that any dental office use Leslie Canham's HIPAA Implementation and workforce training. Leslie spends all day in the office conducting training, and gets your office 100% compliant in a matter of days! We couldn't have done all of this on our own—highly recommended and totally worth it!"

— *Dr. Jarrod Cornehl*

"I am so glad I met with Leslie to handle my HIPAA Compliance manual. I would never have been able to do all that by myself!!! Thanks Leslie."

— *Donna Finley, RDA, Office Manager*

"After hearing her speak, I decided we needed Leslie's help with HIPAA compliance. She came to our office, provided employee training, and helped us understand all the paperwork and documentation. Leslie was very pleasant to work with, very efficient and well organized. I can wholeheartedly recommend her!"

— *A.R., New York Dentist*

"I was dreading going through the OSHA and HIPAA documents and making sure our office was compliant. You've made these implementation processes a breeze and my job so much easier! I would have been lost without you. I've let the boss know that your knowledge and help are well worth the cost."

— *Diane C. Hoeflicker, RDA,  
OSHA/HIPAA Compliance Officer*

We are very grateful to have received your HIPAA implementation service. You provided very comprehensive instructions, training, and help to set it up. You have outstanding knowledge of the very complex, complicated requirements for new regulations. So glad we didn't try doing it ourselves!
