

Introduction

In the dental field since 1972, she helps simplify complex regulations such as OSHA and HIPAA. She provides In Office Training, Consulting, Mock Inspections, and Webinars. She is authorized by the Department of Labor, The Academy of General Dentistry, and the California Dental Board to provide continuing education.

For the 9th year in a row, she has been listed as a “leader in consulting” by Dentistry Today. She is a Certified Speaking Professional, which is a designation conferred by the National Speakers Association. Fewer than 10 percent of speakers worldwide hold this professional designation. It is earned by a proven track record of speaking experience, expertise, a commitment to ongoing education, outstanding client service, and ethical behavior.

She has 8 kids, 17 grandkids, 3 cats, 1 dog, 5 horses, and one very good natured husband. Please help me welcome our speaker >>>>
